- Chair for International Macroeconomics and Macroeconometrics (since 2003)
- Founding Dean of the Graduate School of Economics, Finance, and Management (GSEFM)

Scientific Paper Writing: Special Focus on Economics and Finance

In cooperation with the GRADE Center GSEFM

Objective

To obtain an insight into field-specific criteria of academic writing and publishing in the fields of Economics and Finance.

Description

Writing a paper in your area of research within Economics or Finance, submitting it for presentation at suitable conferences and identifying appropriate journals for publication of the paper requires specific knowledge of the writing, presentation and publication process in Economics and Finance.

This workshop will provide participants with an introduction to the following topics:

- Hallmarks of successful papers in Economics and Finance
- Conferences in Economics and Finance
- Websites and working paper series in Economics and Finance
- Submission to journals in Economics and Finance
- Job market in Economics and Finance

This workshop is a complementary module to our general workshop program on scientific writing. We strongly recommend attending one of those workshops to obtain an extended knowledge of academic writing and publishing.
